C. Potential Indian Exports in the future

(i) Democratic Republic of Congo

S.No	<u>Commodity (HS Code)</u>	<u>Rationale</u>
<u>1</u>	Cereals (10)	<i>DRC imports around \$70-80 million worth wheat (all from Russia and Ukraine). However, a negligible amount is imported from India. Similarly for around \$90 million worth rice import of DRC (over 60% from Thailand), India's share is only around \$25 million.</i>

		<p><i>Mission has planned to hold a Buyer-Seller meet/ invite an Indian delegation for agricultural cereals. A request for trade delegation in the month of July2022 had already been made to APEDA for these products.</i></p> <p><i>Mission has also recently requested (In October 2022) Federation of Congolese Enterprises (FEC) to help Mission organize a BSM in November 2022 for Rice, Wheat, and Sugar. A response from FEC is pending</i></p>
<u>2.</u>	Sugar (17)	<p>DRC imports around USD 25 million worth of Sugar. Majority of this is sourced from Brazil and hence India has an immense scope to boost its exports here. Mission has identified the major importing companies and has requested APEDA for a trade delegation.</p> <p>Recently Varun Beverages Ltd. (One of the biggest franchises of PepsiCo) has announced investment of USD 100 million in DRC and will soon set up manufacturing units of Pepsi products in Maluku SEZ. Mission has requested them to source their sugar requirements from India.</p>
<u>3.</u>	Pharmaceuticals (30)	<p>Although pharmaceutical exports have already reached around USD 164 million. There is still scope for improvement.</p> <p>Mission has been encouraging Indian Pharmaceuticals companies to invest in DRC to set up pharma manufacturing units for local consumption as well as export to nearby countries. In this regard, Ambassador met with the representatives of La Santé Pharmaceuticals (currently based in Gabon and imports APIs</p>

		<p>from India) to also set up manufacturing units in DRC.</p> <p>Recently, another Indian company Unique Pharma became one of the first few enterprises to sign a contract with DRC government to set up pharma manufacturing plant in Maluku SEZ. M/S Unique has also been requested to import most of its raw material from India.</p>
<u>4.</u>	Vehicles and parts (87)	<p>India dominates the two-wheeler market in DRC, with almost 50% of import share. However, there is still scope for Indian companies especially in large vehicles, trucks etc. TATA and Mahindra have already invested in DRC. Mission has requested major Indian companies to source their needs of commercial vehicles from Indian companies mentioned above. In terms of 4-wheelers, currently Toyota is the dominant company.</p>
<u>5.</u>	Defence exports	<p>India's defence export to DRC is nil at present. Given the fact that Eastern Congo is the most unstable region in central-west Africa and MONUSCO (UN Peace-keeping force) withdrawal is imminent, there is an immense scope for India to boost its defence exports to DRC.</p> <p>Military trucks and rifles may be the low-hanging fruits in this category. Ambassador and the political officer have met multiple authorities in DRC government, including Defence Minister, to discuss this.</p> <p>During the DefExpo 2022, the Defence Ministers of DR Congo and Central African Republic visited India and held bilateral meetings with Hon'ble Raksha Mantri of India.</p>

<p>6.</p>	<p>Machinery (84,85), Cement (25) and other construction material</p>	<p>With respect to India’s infrastructure projects in DRC, Mission has three major targets. The projects, besides generating immense goodwill among government and people alike, as they will provide electricity and jobs to locals, will also boost India’s exports as 75% of the project value worth material are to be sourced from India.</p> <ol style="list-style-type: none"> 1. <i>Relaunching the stalled Katende HEP project (LOC worth approx. \$250 million was signed in 2011.</i> 2. <i>Launch of Kinshasa Road Decongestion Project (\$300 million project to decongest capital under buyers’ credit mechanism). The project currently pending approval of COD.</i> 3. <i>Signing of LOC agreement worth around \$223 million for 6 solar power plants. Due to the efforts of Mission officials, DRC government sent a delegation consisting of Special advisor to the President to discuss signing of Exim Bank agreements in May 2022. Currently, the agreement is pending signature of Ministry of Finance of DR Congo.</i>
------------------	---	--

(i) Gabon

The above-mentioned products also have the potential to be exported to Gabon. However, due to the low population of Gabon (around 2 million), the potential remains comparatively low.

(ii) Central African Republic

Export potential is limited as CAR is one of the poorest countries in the world, with low population and poor infrastructure.

E. Potential Indian imports in the future

(i) Democratic Republic of Congo

DR Congo is among the most mineral rich countries in the world. It is also among the Least Developed Countries (LDCs). Being an LDC, the country is eligible for India's Duty-Free Tariff Preference Scheme (DFTPS), however, DRC is yet to send a Letter of Intent for the same, despite Mission's numerous efforts. This could help India in sourcing critical minerals such as Cobalt, Copper, and 3T (Tin, Tungsten, and Tantalum) from DRC, which are currently largely exported to China.

Major mining events are going to be organized in DR Congo in 2023.

i) **DRC Mining Week Expo. & Conference:** 14-16 June, 2023 at Lubumbashi, Congo

ii) **DRC- Africa Battery metals forum:** 12-13 Sep, 2023 at Kinshasa, Congo

These events are the two biggest Mining and minerals related events in DR Congo, and will be a great opportunity for Indian businesses to interact with government officials, businesses, investors, traders etc working in the mining sector. Lubumbashi is also the mining capital of DR Congo. Some interested members of Indian participants/ businesses can also visit some mines owned by Indian businessmen in Lubumbashi and Kolwezi where most of mining of copper, cobalt, Lithium, 3Ts (tin, tungsten and tantalum) is going on.

Therefore, a large business delegation may be mobilized for attending these events.

(ii) Gabon

Gabon is one of the OPEC countries and could be a source for India's need for diversifying its energy demands. A consortium of Oil India and Indian Oil is already involved in exploration of oil in Gabon, however, so far oil hasn't been found.

F. Important Commercial News

(I) DR Congo

1. On **June 14-16**, a 6-member Indian delegation, led by JS (Ministry of Mines), visited Lubumbashi to attend the DRC Mining Week & Expo. During the visit, the met with the Union Minister of Industry, representatives of Indian/PIO owned companies, and several other private players.
2. On **June 14-16**, 2 Congolese Ministers - Deputy PM & Minister of National Economy, Mr. Vital Kamerhe, Minister of MSMEs, Mr. Désiré M'Zinga BIRHANZE, visited New Delhi for 18th CII-Exim Bank Conclave. During the visit, Mr. Kamerhe met with Hon'ble Vice President of India. He also met with several potential investors and businessmen in India.

During the visit, the Deputy PM also got into argument with a Rwandan delegate, which went viral in DRC.

3. As per the ANAPI's report on **June 09**, UK and China have been the biggest sources of FDI for DRC between 2017-19, with \$1.9b and \$1.5b investments respectively. USA was also among top 10 with over \$300 million investments. **Furthermore, the "Services" sector attracted the bulk of Foreign Direct Investments (FDI), representing 57% of the total.**
4. On **June 14 - 16**, the 'DRC Mining Week & Expo' was organized in Lubumbashi, where delegates from 45 countries participated, including an Indian delegation.
5. The UN Group of Experts report, published on **June 2019**, has raised concerns over the DRC Primera Gold, a company created jointly by DRC and UAE for combatting gold smuggling and promoting fair trade of gold mine by local artisans, for possibly being used as official channel to launder gold.

6. PM Sama Lukonde commenced on **June 28**, the 2nd edition of Country Risk Conference in Kinshasa, which aimed to map the investment risks in DRC as per the report prepared by Bloomfield Investment Corporation (BIC). As per the report, DRC's score improved from 5.1 in 2022 to 5.5 in 2023, and it currently lies in the category of '**moderate risk investment**'.
7. On **June 28**, IMF announced new disbursement of \$200 million for DRC, following its 4th review of the Extended Credit Facility agreement signed in 2021. This was the 5th disbursement under this facility, which brought total disbursement for supporting Balance of payment to \$1.017 billion.

(II) Gabon

1. On **May 01**, Gabon signed a multi-million dollar contract with an Indian firm CSM Tech **for** *digitizing and monitoring end-to-end administrative and technical activities of forest and commercial operations to ensure environmental sustainability.*
2. Gabonese Minister of Agriculture, Charles Mve Ellah, took part in the 15th edition of the International Agricultural Show in Morocco (SIAM) on **May 02**, where he exchanged with several potential Gabonese partners.
3. From **May 11 to 13**, a national forum was held in Port-Gentil devoted to the industrialization of the tuna sector. The initiative was mainly aimed at promoting the investment opportunities in the Fisheries sector value chain in Gabon.
4. The Council of Ministers of **May 17** authorized the government to contract a loan for \$50 million from the Arab Bank for Economic Development in Africa (BADEA), for the financing of a budget support program for the State budget.
