2026

MMRDA Grounds, BKC Mumbai

FOREWORD

It gives me great pleasure to present the IMC MahaBharat International Trade Expo 2026 (IMC MahaBharat INTEX), an initiative that embodies IMC's vision of promoting Maharashtra as India's foremost industrial and investment destination and advancing our nation's journey toward Viksit Bharat @2047.

Rooted in IMC's century-long legacy of fostering trade, industry, and entrepreneurship, this Expo represents a powerful convergence of government, business, and global stakeholders. The MahaBharat Intex will showcase Maharashtra's industrial strengths, progressive policies, and emerging opportunities across key sectors such as manufacturing, automobile, renewable energy, IT, pharmaceuticals, logistics, and infrastructure.

With dedicated State and Country Pavilions, the Expo will create a vibrant platform for business networking, investment promotion, and technology collaboration, connecting Indian enterprises with international partners and trade missions based in Mumbai. It will also serve as a catalyst for MSMEs, startups, and industrial clusters to engage in new markets and value chains.

IMC's strength lies in its network of over 5,000 members and 150 affiliated trade associations, making it the largest representative industry body in the State. Through initiatives like MahaBharat INTEX, IMC continues to advance its role as a bridge between policy and progress- bringing together vision, enterprise, and innovation.

I extend my deepest appreciation to our Partners, Exhibitors, State and Country delegations, and all stakeholders who have joined us in this endeavour. Together, we aspire to make IMC MahaBharat Intex 2026 a landmark event that celebrates the spirit of enterprise and positions Maharashtra at the heart of India's global growth story.

Sunita Ramnathkar
President, IMC

About IMC

IMC Chamber of Commerce and Industry has a rich legacy of over a century of existence. It was founded on September 07, 1907 by few Indian Merchants, who came together to establish a Swadeshi institution to fight for the rights of the swadeshi businesses. The Chamber exclusively served the interests of Indian business community and also took part in several key political movement pre-independence. In recognition of the Chamber's contribution to nation building, Mahatma Gandhi accepted honorary membership in 1931, the only Chamber which has this distinction. After independence, IMC has played a significant role in consolidating Indian business interests and making the Indian economy self-reliant. At its 100th year, a postal stamp was issued by the government of India recognizing the services of the Chamber.

Over the years, a galaxy of leaders, both Indian and International, including Presidents and Prime Ministers, have adorned the Chambers by their visits. The foundation stone of the Chambers' building in Churchgate at Mumbai was laid by first Home Minister of India Sardar Vallabhbhai Patel.

Headquartered in Mumbai, the Chamber has since evolved into an industry body that represents the voice of over 400,000 businesses and industry establishments across India from diverse sectors of industry with its membership base of over 5000 members and over 150 trade associations affiliated to it. The Chamber's core function is to provide policy inputs and to promote interests of industry and economic growth of the country.
