CALLING
New Technologies - Retail Industry

INDIA AT A GLANCE

- India is one of the fastest growing economies of the world
- India's GDP is estimated to have increased 6.6 per cent in 2017-18 and is expected to grow 7.3 per cent in 2018-19.
- **Major Sectors Attracting Highest FDI Equity Inflows:**
Services Sector (18 per cent), Telecommunications (8 per cent), Computer Software and Hardware (8 per cent), Construction Development (6 per cent), Automobile (5 per cent), Trading (4 per cent), Drugs and Pharmaceuticals (4 per cent), Chemicals (4 per cent), Power (4 per cent), Construction Activities (3 per cent) (as in April 2000 – June 2018)

(information source : www.ibef.org)

New Technologies – Trends and Opportunities in India

- The World is witnessing the Fourth Industrial Revolution
- Technological breakthroughs in Artificial Intelligence, Robotics, nanotechnology, Quantum Computing, Biotechnology, The Internet of Things (IoT), Blockchain, 3D Printing, and Autonomous Vehicles mark the era of Fourth Industrial Revolution.
- Indian Government is also bringing in necessary structural reforms to promote appropriate ecosystem and regulatory framework.

Retail Industry – Trends & Opportunities in India

- Exponential rise in middle class has triggered a shopping revolution in terms of format and consumer buying behaviours.
- With emerging opportunities, burgeoning middle class, robust demand and the untapped market of retail.
- The Government of India has taken various initiatives to improve the retail industry in India, including single unified tax system.

WHY YOU SHOULD ATTEND

- India is witnessing tremendous growth potential in two major sectors of global interests and offer unprecedented opportunities for global corporations and businesses.
- The one is in areas of breakthrough new technologies representing the Fourth Industrial Revolution; and the other is Retail Industry.
- Over 500 delegates from India and overseas comprising leading technology companies, Start-ups, stakeholders from retails industry, exporters and importers, entrepreneurs, investors, diplomatic missions, government officials, academia, banks and financial institutions, think tanks and NGOs will participate in this Conference.
- A platform for participating Indian and Overseas Companies in areas of AI and Retail to forge ties, buy /sell technologies and to invest in these emerging sectors with vast market potential in India.
