D Y Patil Deemed to be University (DYPUSM) School of Management has been established with an aim to provide quality management education fulfilling the needs of the corporate world. The learning ambience at DYPUSM provides ample opportunity to our students for enhancing managerial skills and to develop one's personality for a challenging future. Student managed committee, new initiatives and social development/ voluntary programs are some of the diverse activities that students are engaged in at department. This provides students with a wider perspective to the concepts taught in the class room. A unique feature of this program is interplay between class- room activities, fieldwork and corporate interactions. The degree of rigour of this interplay coupled with a strong emphasis on quantitative tools increases gradually with each semester as the student moves from the foundation areas to specialized areas of management. Schools have been a vital building block of our society. Be it kindergar- ten or an in situation of higher learning, the common thread that is woven to form a fabric that can make our country proud is the Academia Industry Society linkage. In all our activities as a business school, the DYPUSM will always endeavor to link with the industry and shoulder social responsibilities.

The IMC Chamber of Commerce and Industry, popularly known as The IMC, is a legendary organization which has relentlessly pursued the agenda of identifying opportunities, addressing critical issues and driving Indian businesses with the single minded focus of sustainable growth. IMC's members and its network have been instrumental in Influencing policy frameworks and changes towards this goal and continually strengthening sectors that are critical to India's new phase of flourish. IMC seeks out thought leaders and Industry spearheads to identify today's needs and catalyze the achievement of tomorrow's vision. Set up in 1907, in the wake of the 'Swadeshi Movement' to represent Indian businesses. IMC is a premier Chamber of trade, commerce and industry in India. Headquartered in Mumbai and a strong presence in Delhi, the Chamber has more than 3000 members, comprising a cross section of the business community.

WTC Navi Mumbai will be a part of Raheja District I a flagship project of Raheja Universal located in Juinagar Navi Mumbai spanning close to 68 acres Raheja District I has been planned as an Integrated Business Eco-Sys- tem, as it has all the required ingredients to convert itself from to self sustainable world class Business District which will include 2 WTC Towers & a Town Plaza, Commercial, Residential & Retail spaces. State of the Art workspaces with all amenities & facilities to power growth through business & trade. Also with Navi Mumbai Infrastructure, it is just a perception gap which has to be bridged for WTC & Raheja District to emerge as a business district.
