F. Important Commercial News

DR Congo

I. On 04 February, 2026 Abu Dhabi-based port operator AD Ports announced the signing of a memorandum of understanding with the DR Congo Ministry of Transport to develop and operate a multi-purpose terminal at the port of Matadi. The preliminary agreement sets the framework for cooperation aimed at modernizing a strategic national asset. Both parties plan to explore development and operating terms for the future terminal in order to improve port capacity and operational efficiency. The project also aims to support growing trade volumes and streamline import and export supply chains. At this stage, however, the parties disclosed no technical specifications or financial commitments. The project fits into a wider logistics program discussed between AD Ports and Congolese authorities in November 2025. That program includes the Lobito Corridor, the construction of two dry ports, and road connections linking Kolwezi to Dilolo, as well as DR Congo to Angola and Zambia.

ERG Africa and Entreprise Générale du Cobalt sign a memorandum of understanding to formalize responsible artisanal mining in the DRC On the sidelines of Mining Indaba 2026, ERG Africa and Entreprise Générale du Cobalt (EGC) forged a strategic partnership to formalize artisanal cobalt mining in the Democratic Republic of Congo. The objective is to structure a key sector, guarantee traceability, and improve working conditions for miners. The Democratic Republic of Congo is taking another step in reforming its mining sector. In the presence of the Minister of Mines, Louis Watum Kabamba, ERG Africa and Entreprise Générale du Cobalt (EGC) signed a memorandum of understanding (MoU) aimed at strengthening more sustainable and responsible artisanal cobalt mining.

The stated objective is to commission the first underground express line no later than November 27, 2027, with construction including 173 bridges between the city center and N'djili Airport. The Minister presented this project as a response to Kinshasa's traffic congestion, the modernization of urban infrastructure, and the reduction of recurring floods.

IV DRC: Government signs US\$155 Million Agreement with African Development Bank (AfDB) to Strengthen Ngandajika Agro-Industrial Park. It is the third part of the DRC Agricultural Transformation Programme. Beyond improving the Lukalaba-Ngandajika and Nkuadi-Ngandajika-Parc axes, the project aims to sustainably open up the area, reduce transport costs, streamline trade and create jobs. With this agreement, the Government reaffirms its determination to make infrastructure a pillar of agricultural processing, food security and national cohesion.
